

## ***Neues aus Soziologie und Sozialpsychologie – Winter 2021***

---

### **Neue kollaborative Forschungsprojekte am ISS**

- Eldad Davidov ist Principal Investigator am Minerva Center on Intersctionality in Aging an der Universität Haifa, Israel.
- Michael Kühhirt hat gemeinsam mit Nadine Reibling (Universität Siegen & BZgA) ein DFG-Projekt zum Thema „Elternschaft und Gesundheitsverhalten“ eingeworben.

### **Neue Publikationen von ISS-Mitarbeiter:innen**

- Fischer, M. (2021). Social exclusion and resilience: Examining social network stratification among people in same-sex and different-sex relationships. *Social Forces*.
- Hank, K. (2021). Linked in life and death: A note on the effect of parental death on sibling relations in young and middle adulthood, *Journal of Family Issues*.
- Jacob, M. & Kühhirt, M. (2021). Mothers' employment and child behaviour: New evidence for Scotland. *Longitudinal and Life Course Studies*.
- Kalmijn, M. & Leopold, T. (2021). A new look at the separation surge in Europe: Contrasting adult and child perspectives. *American Sociological Review*.
- Maskileyson, D., Seddig, D. & Davidov, E. (2021). The comparability of perceived physical and mental health measures across immigrants and natives in the United States *Demography*.
- Maskileyson, D., Semyonov, M. & Davidov, E. (2021). Economic integration of first- and second-generation immigrants in the Swiss labor market: Does the reason for immigration make a difference?. *Population, Space and Place*.
- Pradel, F., & Sattler, S. (2020). Memories of a death threat: Negative consequences of unconscious thoughts about a terrorist attack on attitudes towards alcohol. *Journal of Death and Dying*.
- Sattler, S. (2020). Using social learning theories to better understand the variation of the moral acceptability of performance enhancement drug use. *American Journal of Bioethics – Neuroscience*.
- Wetzel, M. & Vanhoutte, B. (2020). Putting cumulative (dis)advantage in context: Comparing the role of educational inequality in later-life functional health trajectories in England and Germany. *PloS One*.

### **Besonders möchten wir auf die Beiträge aus dem ISS zur COVID-19-Forschung hinweisen:**

- Buyukkececi, Z. (2020). Cross-country differences in anxiety and behavioral response to the Covid-19 pandemic. *European Societies*.
- Poppe, A. (2020). Impact of the healthcare system, macro indicator, general mandatory quarantine, and mask obligation on COVID-19 cases and death in six Latin American countries: An interrupted time series study. *Frontiers in Public Health*.
- Schmid, L., Wörn, J., Hank, K., Sawatzki, B., & Walper, S. (2020). Changes in employment and relationship satisfaction in times of the COVID-19 pandemic: Evidence from the German Family Panel, *European Societies*.

**Last, but not least:** Daniel Seddig ist neuer Associate Editor beim *European Journal Criminology*!

**Die Kölner Soziologie & Sozialpsychologie wünscht eine schöne vorlesungsfreie Zeit!**
